

NOTICE OF AMENDMENT

Issuance of Advisory Circular on Acceptable Restraint Devices for Passengers with Restricted Mobility

Please be informed that the Advisory Circular (AC) on Acceptable Restraint Devices for Passengers with Restricted Mobility (AC121-6-4) has been issued.

The AC provides guidance on acceptable restraint devices for passengers with restricted mobility in the aircraft passenger cabin, and on the operational policies and procedures for the use of such devices.

Please also note that the followings ACs have been consequentially amended:

- AC121-1-1 Guidance on General Requirements in ANR-21
- AC121-2-1 Guidance on Operational Procedures for ANR-121 Operations
- AC121-6-1 Guidance on Instrument and Equipment Requirements in ANR-121
- AC121-6-3 Acceptable Child Restraint Devices

These ACs come into effect on 20 September 2019, and can be found at our [CAAS website](#).
