

NOTICE OF AMENDMENT

Revision of Manual of Standards – Meteorological Service For International Air Navigation (MOS-MET(IAN))Volume I and II

Please be informed that the Manual of Standards – Meteorological Service For International Air Navigation (MOS-MET(IAN)) has been amended.

The MOS-MET(IAN) Volume I has been amended to introduce provisions for safety investigation, and update references to new ISO standard. Volume II of the MOS-MET(IAN) has been amended to introduce provisions for digital format for METAR/SPECI, TAF and SIGMET information and introduction of world area forecast information on cumulonimbus clouds, icing, turbulence and gridded forecasts for additional flight levels.

The MOS-MET(IAN) Volume I and II comes into effect on 10 November 2016 and can be downloaded at our [CAAS website](#) .
