

Guided Experiences

1) Air Traffic Control Simulators

Visitors can immerse themselves in the world of Air Traffic Controllers and gain insights into the vital role played by the School of Air Traffic Services in their training and development. Visitors can also step into our specialised tabletop and 360° Aerodrome simulator for unique day and night views from the 'control tower'.

Pre-registration is required. Limited to 40 pax per session. 1 hour 15 minutes per session.

Timeslots:

7 and 8 March 2024: 12.45pm

9 March 2024: 8.45am, 9.45am, 10.45am, 11.45am, 12.45pm, 1.45pm, 2.45pm, 3.45pm

2) Airport Fire-Fighting Activities

Visitors will get a glimpse into the training of our airport fire fighters through interactive activities and simulators. Visitors will also participate in hands-on activities such as target shooting, breathing apparatus simulator and airport foam tender fire vehicle static display.

Pre-registration is required. Limited to 40 pax per session. 1 hour 15 minutes per session.

Timeslots:

7 and 8 March 2024: 11.45am, 12.45pm

9 March 2024: 8.45am, 9.45am, 10.45am, 11.45am, 12.45pm, 1.45pm, 2.45pm, 3.45pm
