

NOTICE OF AMENDMENT

Revision 1 to AC 91-6-2 on Halon Replacement for Fire Extinguishing Agents

Please be informed that Advisory Circular (AC 91-6-2) *on Halon Replacement for Fire Extinguishing Agents* has been revised to :

- advise the Singapore air operator to reduce the production and consumption of hydrofluorocarbons (HFC) gases; and
- recommend the use of an alternative handheld extinguisher agent with low global warming potential and a near-zero ozone depletion potential.

Revision 1 to AC 91-6-2 comes into effect on 9 February 2023 and can also be found at our [CAAS website](#).

Should you have any suggestions or comments on the above, please provide your feedback to <https://go.gov.sg/publication-feedback> .
