

NOTICE OF AMENDMENT

Amendments to Air Operator Certification Requirements

Please be informed that the Air Operator Certification Requirements (AOCR) has been amended to incorporate the following key changes:

- (a) to clarify the critical phases that the use of Portable Electronic Devices (PED) will be prohibited, and the responsibilities of the operator and pilot-in-command regarding the use of PED when it is permitted; and
- (b) to highlight that the egress and evacuation paths of a passenger must be kept unobstructed during take-off and landing phases.

These amendments are incorporated in Issue 3, Revision 23 of the AOCR, which comes into effect on 20 February 2013.

The AOCR can be downloaded from the CAAS website at <http://www.caas.gov.sg>.
