

NOTICE OF AMENDMENT

Publication of Manuals of Standards – Aerodrome Rescue and Fire Fighting Training 2025

Please be informed that the Manuals of Standards – Aerodrome Rescue and Fire Fighting Training 2025 (MOS-ARFFT 2025) has been published. It specifies the standards and requirements pertaining to the training of aerodrome rescue and firefighting personnel conducted by an ARFFT organisation.

The MOS-ARFFT 2025 comes into effect on 1 April 2025 and is available at the [CAAS website](#). The MOS-ARFFT that was issued on 1 February 2017 will be revoked consequentially.

Should you have any suggestions or comments on the MOSes, please provide your feedback to <https://go.gov.sg/publication-feedback>.
